

DPDP ACT 2023 · RULES 2025

Compliance Gap Report

Demo Hotel

Sector: Hospitality

Generated: 13 July 2026, 02:46 PM IST

Executive Summary

Demo Hotel was assessed against applicable Data Fiduciary obligations under India's Digital Personal Data Protection Act, 2023 and the DPDP Rules, 2025. This legal compliance assessment maps your questionnaire responses to statutory requirements and identifies where practices meet, partially meet, or fall short of those obligations.

Of 34 obligations in scope, 32 could be assessed from your answers and 2 remain pending further input. 24 gaps were identified, including 19 critical items marked Not Met. The prioritized action plan, regulatory timeline, and detailed obligation assessment below set out recommended next steps ahead of the November 2026 and May 2027 compliance milestones.

32

OBLIGATIONS ASSESSED

24

GAPS IDENTIFIED

19

CRITICAL GAPS

What is an obligation? A specific legal requirement under India's Digital Personal Data Protection Act 2023 and Rules 2025 — for example, publishing a privacy notice, obtaining valid consent, or appointing a grievance officer. The questionnaire asks about your business practices; this report shows which requirements apply to you and whether you meet them.

Regulatory Timeline

Phase	Date	Requirement
Phase I	2025-11-13	Data Protection Board of India established
Phase II	2026-11-13	Consent Manager provisions become effective
Phase III	2027-05-13	All other substantive compliance obligations become effective

Prioritized Action Plan

Before Nov 13, 2026 (by 2026-11-13)

- Review Consent Manager provisions and whether registration applies to your use case
- Assess and update vendor / Data Processor contracts
- Publish or update privacy notice with grievance officer contact

Before May 13, 2027 (full compliance) (by 2027-05-13)

- Define Board notification workflow per Section 8(6)..
- Define individual notification workflow..
- Implement purpose-specific opt-in consent.
- Define retention limits and erasure triggers per Rule 5.
- Appoint grievance officer per Section 8(9) and 14.
- Implement explicit consent or establish legitimate use under Section 7.
- Publish notice with all Rule 3 elements.
- Publish notice before or at point of consent.
- Create breach playbook with roles and timelines.
- Publish DPO or authorised contact per Section 8(9).
- Appoint and publish grievance officer per Section 14.
- Publish verification method per Rule 8/9.
- Monitor processor compliance per Section 8(2)..
- Set timelines not exceeding 90 days for grievances.
- Begin annual audit preparation per Section 10..
- Begin DPIA programme preparation per Section 10..
- Begin DPO appointment preparation per Section 10..
- Implement 48-hour notice before Third Schedule deletion.
- Enable Data Principals to nominate per Section 15.

Questionnaire Responses

Complete record of your assessment answers for reference. Items without a recorded response are marked Not answered. (36 of 38 responses recorded)

Business profile

In what form do you collect or store personal data?

Response: Digital only (forms, apps, databases)

Approximately how many individuals' data do you process per year?

Response: 10,000 – 100,000

Data collection

Do you collect personal data from customers, guests, patients, employees, or website visitors?

Response: Yes

What types of personal data do you collect?

Response: Name, phone, email, address, Government ID (Aadhaar, passport, etc.)

Do you process personal data of employees or contractors?

Response: Yes

What is your primary legal basis for processing personal data?

Response: Consent (primary basis)

Is the specific purpose for each type of data collected documented?

Response: Yes — for all data collected

If you rely on legitimate uses (Section 7), are they documented?

Response: No / not applicable

If you collect children's data (under 18), how is parental consent obtained?

Response: We do not collect children's data

Do you use behavioural tracking or targeted advertising directed at users under 18?

Response: We do not process children's data

If you use CCTV, do you have notice/signage about video surveillance?

Response: No notice or signage

Notice & consent

Do you publish a privacy notice?

Response: No

Which elements does your privacy notice include?

Response: Not answered

How do you obtain consent before collecting personal data?

Response: No formal consent process

Do you maintain records of when and how consent was given?

Response: Partial records

How can individuals withdraw consent?

Response: Same ease as consent (web, email, account settings)

Have you assessed Consent Manager provisions (effective Nov 2026)?

Response: Not yet assessed

Data lifecycle

Do you have processes to keep personal data accurate and up to date?

Response: Informal / ad hoc

Do you have a documented data retention and deletion policy?

Response: No policy

Data Principal rights

Can individuals request access to their personal data?

Response: Yes — documented process

Can individuals request correction of inaccurate data?

Response: Yes — documented process

Can individuals request erasure of their data?

Response: Yes — documented process

Have you appointed a grievance officer and published their contact?

Response: Not appointed

Can Data Principals nominate someone to exercise rights on their behalf?

Response: Not supported

Is your method for verifying identity before fulfilling rights requests published?

Response: No published method

Are response timelines for rights/grievance requests defined (max 90 days)?

Response: No defined timelines

Transparency & contact

Is your business contact or DPO details published on website/app?

Response: Not published

Processors & transfers

Do third-party vendors process personal data on your behalf?

Response: Yes

Do you have written Data Processor contracts with all vendors?

Response: Yes — all relevant vendors

Do you monitor processor compliance with data protection obligations?

Response: No monitoring

Is personal data stored or processed outside India?

Response: No

Have you verified destination countries are not on the government restricted list?

Response: No cross-border transfers

Security & breach

Which security measures are in place?

Response: Not answered

Do you have a documented data breach response plan?

Response: No

Does your breach plan include immediate notification to the Data Protection Board?

Response: No breach plan

Does your breach plan include notifying affected Data Principals?

Response: No breach plan

Employment & SDF

Are privacy notice and security safeguards applied to employee data?

Response: Yes — same safeguards as customer data

If designated a Significant Data Fiduciary, are you prepared (DPO, DPIA, audit)?

Response: Not started

Detailed Obligation Assessment

Obligations assessed from your answers. Items marked Not Answered need questionnaire input.

Questions and obligations are separate: several questions can inform one obligation, and one obligation may need answers to multiple questions.

For each obligation below:

- **Requirement** — What does the law say?
- **Assessment** — Where do we stand?
- **Recommended Action** — What should we do now?

Security & breach

Breach notification to Data Protection Board

NOT MET

Section 8(6) · Rule 13 · Due 2027-05-13

Requirement: Notify Board without undue delay; detailed report within 72 hours.

Assessment: No Board breach notification process.

Recommended Action: Define Board notification workflow per Section 8(6)..

"sub-section (1) of section 9; (j) the classes of Data Fiduciaries, the purposes of processing of personal data of a child and the conditions relating thereto, under sub-section (4) of section 9; (k) the other matters comprising the process of Data Protection Impact Assessment under sub-clause (i) of clause (c) of sub-section (2) of section 10; (l) the other measures that the Significant Da..."
